

QUICK INTRODUCTION

MARINE DIVISION PRODUCTS & SERVICES

AMRO Product & Service List – IALA, PIANC, IMO & SOLAS

Fenders, Quay Walls Equipment, Vessels, Marinas, Docking/ Mooring & Shore-side Equipment & Services

- Fender Systems & Quay Wall Equipment
 - Tug & Vessel Fenders
 - Fixed Quay Wall Fenders incl. Cone, Cell, Arch, Cylindrical & more
 - Panel Systems & Fixings (Chain, Anchors, UHMW-PE Pads etc.)
 - Floating PU Foam & Pneumatic Fenders (*Hire or Sale available*)
 - Donut Pile Fenders
 - High Visibility Safety Ladders from LifeLadder/ Port-Safety
- Deck Equipment incl. Bollards, Winches, Fairleads, Chocks, Cleats.

Mooring Equipment

- Cast Iron & Concrete Mooring Blocks
- Mooring Chains, Anchors, Swivels & Shackles
- SeaFlex Mooring systems

Aids to Navigation (AtoN) Buoys, Lights & Mooring Buoys

- Consultancy, Design, Condition Surveys & Engineering Services
- IALA Marker Buoys (UV stabilized Polyethylene, Polyurethane & Steel)
- Mooring Buoys (UV stabilized Polyethylene, Polyurethane & Steel)
- PE & Steel Shore Beacons & Pile Structures
- Solar Powered & Mains Fed Marine LED Lanterns & Lights
- AtoN Power & Solar PV Systems
- Remote Control & Monitoring, GSM, Satellite, Sigfox, AIS, Racons

Environmental & MET Ocean Equipment

- Met-Ocean Buoys, Wave-Buoys & Ice Buoys
- Weather Stations, Rain Gauges, Radar Tide Gauges, Time Lapse Cameras
- Water Quality Sondes & Sensors
- Data Telemetry

Marine Pontoons, Floats, Barriers, Nets & Pipe Floats

- UV stabilized PE Pipe Floats for Dredging & Offshore industries
- Oil Booms
- Silt Curtains
- Marine Security Barriers
- Demarcation & Beach Buoys & Barriers, Jellyfish Nets & Swimming Safety
- UV Stabilized PE Modular Pontoons/ Marinas/ Jet Ski Floats

QUICK INTRODUCTION

AVIATION DIVISION PRODUCTS & SERVICES

AMRO Product & Service List - GCAA, DCAA, FAA & ICAO Compliant Products

Obstruction Lighting & Marking Solutions

- Solar powered low and medium intensity marking lights
- Mains powered low, medium and high intensity marking lights
- Obstacle balls
- Suitable for cranes, crane towers, commercial/ civil/ aviation buildings, chimney stacks, high voltage transmission lines and telecoms towers.

Airport Aviation & Obstruction Solutions

- Temporary (solar) and permanent solutions
- Taxiway lights
- Runway lights
- Threshold lights
- Azimuth systems
- Windsocks
- Guidance Signage
- Optional RF powered on/ off

Helipad Solutions

- FATO Lights
- TLOF Lights
- Floodlights
- Windsocks
- PAPI Lights
- Optional RF powered on/ off

Offshore, Oil & Gas & Wind Turbine Solutions

- ATEX/ ICEEx certified lighting solutions
- Solar and mains fed solutions
- Obstruction leg and tower marking
- Helipad marking
- Windsocks

Military Solutions

- Permanent, Temporary and mobile solar powered solutions
- Helipad, Airfiel and mobile tower lighting
- Optional RF powered on/ off

Other Products & Services

- Modular Floating Pontoon Hire
- Buoys & Data Buoys Hire
- Pneumatic Fender Hire, Repair & Refurbishment
- Marine & GSM Surveys, Quay Wall Condition Surveys
- Engineered & Turnkey Solutions
- Consultancy Services
- Environmental Impact Assessments
- Installation & maintenance services for all of our products & solutions
- Hull Cleaning

About Us

Formed in 2015, AMRO operates from the strategic locations in the United Arab Emirates & Kazakhstan to serve the MENA & Caspian region. Our customers include Oil & Gas, Maritime & Aviation markets. The AMRO organisation includes Naval Architects, Marine Engineers, Environmental Scientist, AtoN & Navigation Specialists, Surveyors & Divers with over 100 years of combined experience.

AMRO maintains warehousing, equipment and stock throughout the UAE to ensure it is always ready for our client's demands.

Partners

AMRO is partnered with and regionally represents market-leading manufacturers & innovators.

Certification & In-Country Value

AMRO is an ISO 9001:2015 Company and IHMA member. Our Partners maintain standard ISO & OHSAS accreditation as well as Industry Accreditation & Membership.

AMRO offers in-country value in the UAE with ICV Certification number 124617 and in Kazakhstan via its strategic setup and partnership.

- PIANC Type Approval for Fender Design 2002
- IALA Industrial Membership for Aids to Navigation
- ICAO/ FAA Certification
- United Arab Emirates ICV Certified

Quality, Health, Safety & Environment

AMRO maintains a robust and effective QHSE policy and is certified to ISO 9001:2015. AMRO is working towards ISO 45001 & ISO 14001.
